

Invenergy

Solar Grazing Bus Tour

Horseshoe Solar
Energy Center

123 S. Cayuga St. | Suite 201 | Ithaca, NY 14850

Join Invenergy's Horseshoe Solar development team on a tour of two operating solar grazing facilities. Learn more about solar farms and grazing practices and get a feel for the sights and sounds of an operating solar array! **You must RSVP to reserve your seat on the tour.**

Ryan Hicks, Analyst | (607) 391-2651 | rhicks@invenergyllc.com

Saturday, July 13th
2:00 pm – 6:00 pm

Bus departs from
**William Udicious
Pavilion**

**Two Operating Solar
Grazing Facilities**
